Michael James Redmond

November 20, 1974 - August 13, 2023

Michael was one of the kindest people. He always did what he could to help other people. Growing up, Mike was a cub and a scout at Bethany United Church. His father, James was a leader in those programs with him. He was a graduate from University of King's College in Halifax, NS with a bachelor of arts with honours in International development. He also had a serious interest in photography, environmental issues and cars. In the past year, he spent time walking on Nature trails and enjoying the outdoors with his devoted wife, Lorilee.

Mike is someone who was always striving to do better in life. He always said that his life's philosophy was that, "he tried".

Michael leaves behind his loving wife, Lorilee Redmond, his parents James and Dorothy Redmond. As well as sister, Shauna (Geoff) Dolan, nieces Avery and Teegan Dolan.

“ *Michael was such a kind and beautiful human being. Knew him first through my brother Paul, at scouts at Bethany United, then through school. Last Christmas we got to reconnect in Moncton after our Stad Band Concert, and it was such a pleasure to get to meet the love of his life, Lorilee. Michael was glowing, and clearly very happy and in love. He later shared music videos of you Lorilee with me, and was so proud of you. I send my condolences to all of Michael's dear family and friends. He will be missed, and made our world a more loving and better place.*

“ *I remember Michael growing up and him hanging out with David. He was such a great person back then. I remember him from scouting and school. He will be missed by all.*

“ Hello! I am a choir member at St. John's United Church in Moncton. A few months before the wedding, I took the opportunity to sit with Mike at coffee hour . He was sitting alone as Lorilee was working that day. He talked about his educational background, his parents and family in Halifax area and how happy he was to have Lorilee as his partner. I shall never forget the broad smile on his face when he said those loving words. He most often sat in the balcony. Previous to that I sat with them at the Robbie Burns Banquet. Blessings to all.
