“ We knew Nancy in 🇵🇦 Panamá. Always amazed by her high energy and definitive opinions. Didn't always agree with her, nor her with us but that in no way stopped us from enjoying each other's company. She taught me a great tuna and cream cheese dip recipe which I use to this day and have passed on many times; always with a nod to Nancy. I am sorry she is no longer in this world. Our condolences to her sons.

“ I was privileged to have a cousin like Nancy who in fact felt more like a (slightly older) sister to me than a cousin. We shared many laughs and good memories, and I will miss her hearty voice and big bright smile. 🌸
