

Nichol Tera Smith

December 5, 2024

Nichol Tera Smith, 52, passed away suddenly on Thursday, December 5, 2024.

Nichol was born and raised in Halifax, Nova Scotia, to the late Arnold W. "Tardy" Smith and Doris L. Smith (nee Husbands).

She is survived by her siblings: Nijiba, Nadine, Neala (Gordie), twin sister Natasha, and brother Arnold "Bud", as well as many aunts, uncles, nieces, nephews, cousins and friends.

Nichol always had a passion for children. She was a nanny for many years, she then worked at Westwood Daycare and, finally, as an Educational Program Assistant at Springvale School, where she was loved by all the children she worked with.

She fulfilled a lifelong dream of motherhood in 1998 when she gave birth to her son, Noah. Ten years later, Nichol was blessed with her daughter, Myah. Nichol loved her children with all that she was. They were her entire life and heart.

Nichol is also survived by her devoted boyfriend, Larry Smith, and her beloved dog, Bella.

The family would like to thank everyone for their kindness and prayers throughout this difficult time.

Anyone who knew Nichol, knew that she was not a fan of being the centre of attention and, therefore, her service will be private.

Please keep Nichol's memory alive by spreading kindness in the world and, if you see a Monarch butterfly, please know she is dropping by to say "Hi".

Romans 4:18

If we live, we live for the Lord, and if we die, we die for the Lord. So, whether we live or die, we belong to the Lord.

Rest in heavenly peace Nichol, until we see your beautiful smile again.

“ Neala, Tash, Noah, Myah & family, I was absolutely devastated to hear this news today. My heart breaks for all of you.

When Nichol and I first met, both of us very pregnant with our girls, we shared an immediate bond. She taught me so much about raising children and how to parent with grace and dignity. She had a level of patience that both inspired and encouraged me. I could never understand her amazing capacity to remain so poised in a room filled with little people. She could command the compliance of even the most spirited child with a single look - one I believe was inherited from MumMum. She came to be an integral part of our lives when Josie was little, and I honestly don't know what I would have done without her.

As our friendship grew into an extension of our family, I feel her loss deeply. Nichol had a smile that could light up any room. She had such kindness in her soul and always let the people in her life know how much they were loved. I know how much family meant to her, and to all of you. So, I do hope that all of the beautiful memories you share will bring you solace in this moment and always.

*With our deepest and most heart-felt condolences,
