

## Paul Leslie Roy Maxwell

July 22, 1968 - January 3, 2026

It is with profound sadness that we announce the unexpected passing of Paul Maxwell, (age 57) on January 3, 2026. He will be greatly missed by his son Logan, sister Jo Ann Whitman and nephew Nicholas Whitman.

He was the only son of the late Dianne and George Maxwell (Mount Uniacke) and only Grand son of the late Thelma Doucette.

He was all about family and loved to have his family close to him. In his parents declining years, Paul supported them in any way that he could. He adored his son Logan and embraced his silliness when they played together. He and Logan often had sword battles in the yard with pool noodles, something Logan thoroughly enjoyed.

He had an adventurous spirit and loved to learn about other cultures and religions. In High School, he travelled to England with a friend then next, to Mexico for a solo journey. His eclectic taste in music, art and poetry reflected his true personality. After High School he studied Comparative Religions in University.

He was a very social person and could talk to anyone anytime. He was able to make personal connections with people even if they just met.

He was an avid reader with an impressive collection of books on thought provoking subjects. He was a deeply spiritual person and had a Buddhism practice for over half of his life.

He loved nature and thoroughly enjoyed camping every summer with his wife and son; he even invited his Mother-in-Law along. He developed an eye for

photography in recent years and loved to capture nature. He enjoyed exploring natural habitats in Nova Scotia, especially by kayak.

He was very handy at home, learned from his equally handy father. He loved anything to do with computers and technology and had a part-time business called Passage-PC.

He worked at Moir's in Woodside for many years until it's closing in 2007 and he developed close ties with his co-workers. It was a devastating loss for him everyone personally and professionally. In the following years he found a great career at TC Transcontinental.

There will be a Celebration of Life on Sunday, February 1, 2026, at Fisherman's Cove Heritage Centre from 2-4.

# Tribute Wall

“ Have many memories of Paul growing up, just hanging out, holidays with family, camping, lots of family visits. He will be missed for sure. RIP Paul. ❤️🙏
