“ Dear Aunt Mary, Laura, and Doug, I'm very sorry to hear of Uncle Pete's passing. I best remember him when we would have some milk-la and hang out to watch movies in his den, and listen to his stories about when he's on the bike. Sending my condolences and best wishes to each of you. - Will

“ Rest in Peace Peter. We will have lovingly cherished memories of your visits to Toronto, of your stories about your service in Germany and adventurous trips to Newfoundland and US, of family events you participated, of your meticulously kept beautiful motorbikes and of pleasantly warm fires you used to set in the firepit in your green backyard during our visits to Nova Scotia.

“*Mary, Laura, Hunter and family. So sorry to hear of Peter's passing. He was a fine Mounted Policeman, a great Blue Knight and, as long as you weren't in a rush, one awesome riding partner. I enjoyed many trips through the USA, across Newfoundland, down the Burgeo highway and all four points of the compass. It always amazed me that he remembered every route number and every intersection he had ever ridden. Especially enjoyed our trips to Americade and Blue Knight Conventions. Even if I didn't ride there with him I knew he was going to show up eventually 🙏. Condolences to you and the family; I hope you know that if you need anything, you simply need to call and I will be there for you in whatever capacity you need. God bless, take care, RIP, Skipper 🚓*

Can anyone tell me if a celebration of life was held and if internment has taken place, The RCMP are trying to locate grave site to ensure site is recorded in their data base for annual inspections and maintenance...in recognizing Peters service in the Force
