Obituary for Phoebe Priscillia Rumbolt (January 12, 1968-February 8, 2025)

It is with profound sadness that we, the family of the late Phoebe Priscillia, announce the peaceful passing of our dear wife, mother, daughter, sister, aunt and friend after a grueling battle with NASH Liver Disease.

Phoebe (57) was born in St. Anthony on January 12, 1968 to William and Florence Kippenhuck of Port Hope Simpson, Newfoundland and Labrador.

She was the first-born child and the only daughter out of six children.

She was witty, beautiful, creative and a joy to know. She was passionate and devoted many years to her church as a janitor, ladies ministries president,

Sunday school teacher, and Boys and Girls club leader. She loved children and seen the value in teaching them Godly principles. She loved her family.

She also loved many other things such as shopping, knitting, crafting, gardening, doing charity work and gift giving. She was everything to her family and the profound void is felt in the hearts of all who knew and loved her.

Phoebe worked seasonally as a plant worker for 19 years in the neighboring town where she was fondly referred to as the life of the party and a jokester.

Everyone who knew her knew that she loved a good laugh. She happily worked until her disease wouldn't allow.

She has fought the good fight and has inherited her heavenly reward to be with her Lord and Savior. She was a woman of mighty faith and it was her faith and trust in God that gave her the strength to fight tirelessly for the past six years of Liver Disease.

Left with fond and loving memories are her husband, John; daughters, Camillia (David) and Candace; her parents, William and Florence; her brothers, Dean, Byce (Janet), Peter (Irene), Dwight (Roslyn), and Richard; her sisters in law, Maxine (Wayne), Joyce (Christopher), Evangeline (John), and a large circle of nieces, nephews and friends. She will be always looked for by her fur grandbabies, Phoenix and Derek.

Her belief was to be absent from the body was to be present with the Lord.

We take solace in knowing she is resting in the arms of Jesus.

A celebration of life will be held later. Donations in her memory can be made to Liver Canada website:

“ She was part of my life for almost fifty years. I still can't believe she
is gone. So many memories. Many times during Phoebe's terrible
illness, I would call to encourage and uplift her but she would
encourage and uplift me. Although she suffered so much during
recent years, her faith in God remained steadfast. She will never be
forgotten. Rest easy my old friend. Until we meet again... Sending
love and prayers to you Camilla, Candace and John.
