

Robert Charles Cormier

August 16, 1964 - January 27, 2024

It is with profound sadness we announce that our father, 59, suddenly passed away on January 27th, 2024 at Halifax Infirmity. He was born on August 16th, 1964 in Halifax, Nova Scotia. He was the son of the late Edgar and Hermance Cormier.

He is survived by his brothers; Joseph (Debbie) Lower Sackville, Gérard (Gary) Halifax, Clarence (Tracey) Halifax, and Donald of Dartmouth. He leaves 2 children; Robin and Denise (Shawn) and 4 nieces and nephews; Michael, Diana, Nicholas and Joshua.

While we lost our dad, many have lost a friend and loved one in him. He has been a rock to many. He was a kind hearted man who would do anything to help someone in need. He worked hard all his life, in many physically demanding jobs, providing for his family. He valued education and a strong work ethic. He followed in his father's footsteps and was proud of his career at the Halifax Longshoremen's Association where we know he will be missed. He was proudly promoted to Forman recently. His family was proud of this accomplishment and he knew his dad would have been proud too. During the

summer months he loved spending time in New Brunswick with family members that lived there. He enjoyed being social, eating good food, listening to music and watching the races. He was a happy man, who enjoyed the outdoors, fishing, and camping. He also was a handy man and enjoyed building various projects.

His passing was sudden and unexpected but quick, just like he always hoped it would be. The Cormier family would like to extend our deepest gratitude and thanks to all the doctors, nurses and workers of 5th floor of the Halifax Infirmary, especially those who comforted dad in his final hours.

A celebration of life will occur on Friday, February 9th 2024 from 1-4pm at the Hammonds Plains Community Centre (2041 Hammond's Plains Rd).

In lieu of flowers, the family requests donations be made to The Canadian Diabetes Association or The Mental Health Foundation of Nova Scotia.

“ He was a good man. I never officially got on the fairview cove terminal till the end of May. But he was a good guy, very friendly. Hard to say no to switching jobs with him to try and make his day easier. Definitely a surprise to all to hear he passed. Rest easy brother. #ila269 condolences to close friends and family.

I was so sorry to hear of Robert's passing. My heart goes out to all the Cormier family during this very sad time in their lives. Robert was too young and now that his Mom and Dad have left us, I'm glad they aren't here to go through this terrible news. I so miss Hermance and Edgar's weekly visits when we shared memories of when we all lived so close. Now, Robert will join them in their heavenly home as they welcome him with open arms. Rest in peace, Robert...you will be missed.
