Robert Bernard Friesen

September 25 1958

It is with profound sadness that we announce the passing of our beloved Bob (Bobby) on

February 8 2024. He was survived by his high school sweetheart Carla, ex-wife Sherri, his

greatest accomplishment - his son Derek (Morgan), his step children Samantha (Ryan) and

Tyler (Amanda). Grandchildren Cooper, Emersyn, Ava, Delilah and Nash. He was also survived

by his two brothers Patrick (Christine) and Jackie (Noelle) along with many other dear family

and friends. Bob was predeceased by his Mother (Patricia) and Father (Clifford).

Anyone who knew Bob knows that he was larger than life. He loved nothing more than making

people laugh, telling an old story or talking about local History. His favorite pastimes included

being on the sidelines of his grandson Cooper's many activities, playing golf with his very dear

friends and reading about the history of old Dartmouth.

A celebration of life will be held at The Mic Mac Aquatic Club on February 25,

2024 from 2-4 pm
for close family and friends.

“ Played lacrosse against Bobby for many years, then in senior lacrosse became a teammate. I had great respect for Bobby, and his fellow Shannon/Dartmouth teammates, for their hard but fair play. My condolences.

“ Shocking to lose such a great friend so suddenly. Bob had a unique gift to make all around him have a great day. We shared so many memories of all things sport, politics and history. He taught me all I know about the NFL, shared stories of Strat-o-Matic baseball games, his quest to break 90 at Grand View aided by his magic “rescue” club gifted by his son Derek and of course his “breakfast” ball. Bob talked of turning his \$10,000:Bobby Orr card into a \$1.50 by scribbling Boo all over it with a Magic Marker, as Montreal fans that’s what you do. His love of family and friends was contagious. Condolences to all his family.

“ Bobby Friesen was a great guy. He made me laugh and was always smiling or laughing at something. I got to really know Bobby when we were teenagers and worked together. I was lucky enough to hang out with him in our group of friends as we got older as well. Bobby is to be forever remembered as one of the good guys, that is how I will remember my friend. My sincere condolences to Carla, Moochie, Jackie and Derek and your families. Rest in Peace Bobby Friesen and God Bless.

“ It’s funny how someone from my childhood had such a positive impact on me. Bobby was in high school when I was just 8 years old and he was my lacrosse coach. He was always a positive role model and nice person and good coach took us to NS championship. I always seen Bobby , Moochie and Cliff at the rink I guess that’s where we all lived in our youth. In later years my wife had Bobby as a regular customer at the Bay , she really enjoyed his visits and he always talked about Shannon Park. Our condolences to the family heaven got a good one.

Deepest sympathy to Moochie Carla Jackie and all family and loved ones. It’s painful, May you find your way with your grief and loss. Grief is lost love or so “they” say. It is shocking and hard to fathom to lose your life partner and your bro. May you find comfort in each other and one another.
