“ I remember the Baggio family well. Grew up a few doors away. The last time I spoke to Mono was the closing of St Eugene Parish. Rest In Peace.

“ Sorry to hear that Mono passed. Great memories growing up in Dominion and being around the family. Saw Mono in Halifax when we were retiring from The Air Force and on occasion when I got back to Dominion. My best to the family. Rest In Peace .David/Diane (Brown) McDonald.

“ My condolences to the family:

I grew up in Dominion and the Baggio family were a big part of my life.

I remember Mono from when he was stationed in Halifax. Our paths did not cross again as my husband and I were never stationed in the same place together, but we have fond memories of Mono and Dorothy from our time in Halifax.

Looking at his picture, reminds me so much of his Father. Many memories come back to me now and I will never forget him or his family.

RIP Mono.....
