“ Judy, Veronica, Karen, Joanne, Michael and family,

*My deepest condolences to all of you and your respective families!*

*I know how brave and strong all of you have been, and gone through this past year. Ron was all that too during the 40 years I knew him. I never questioned his courage, honesty, loyalty or any other principle. He put the well-being of his troops ahead of his own needs everytime I served with him and worked for him!*

*You have many great memories of him to share, and so do !! Please remember them at this time in need to help heal the pain and loss of this wonderful man, leader and mentor! He will be sadly missed by all of those who knew him!*

*Stand Easy Chief!*
