

Sean Gordon Wainwright

November 27, 1976 - October 17, 2025

With heavy hearts, we announce the passing of Sean Gordon Wainwright, who was born in Halifax on November 27, 1976 and who was taken from us far too soon on October 17, 2025 at the age of 48.

Sean will be forever loved and remembered by the love of his life, his wife, Amanda, his children, son, Dylan, and daughter, Sophia, both of whom he was so proud, his mother, Susan (Steve) Hatchette, his father, Gordon (Susanne) Wainwright, his sisters, Candis (Wayne) Clattenburg, Dayna (Phen) Marshall, his brothers, Jamie (Shilo) Conrod, Russell (Trinda) Nauffts, Sean (Gabi) Hatchette, his mother-in-law, Shirley (Ian) Bentley, his sisters-in-law, Trudy (Donnie) Handy, Karen (Paul) Bentley, and his brother-in-law, Peter Joe (Robyn) Bentley.

Sean was a proud uncle to his nieces, Lyssa, Lexie, Sara and Rylee, his nephews, Darren, Simon, Peter, Morgan, Jack, Noah, Owen, Carson, and a beloved nephew and cousin to many. Sean was a family man to the core and his absence will be greatly felt by all members of his large and loving family.

To his many friends, Sean was loyal and dependable. Sean maintained many solid friendships for decades - notably, Ryan (Hollie) Quick and Aaron (Terri) Muise who knew him since they were four years old. He had the nickname "Skinny" affectionately bestowed on him by his good friend, Craig (Samantha)

Mosher during their university days. Sean was a kind and gentle soul, who could always make us laugh with his silly jokes and funny faces with the eyebrow raised. He loved bonding over sports, primarily, the Blue Jays, Raiders and Oilers. He watched games with Dylan at home or with his buds in the garage and sometimes from a stadium seat surrounded by those same buds when they went on their many "football trips". If any of his friends had a question about sports, Sean was their guy. Sophia loved his amazing taste in music and took interest in every album he put on. From his baseball team, The Jets, to his co-workers at Boyne Clarke, to his precious family, Sean found a unique way to bond with everyone he knew. Though his time here was short, the impact he left on his family and friends will last a lifetime. His memory will continue to shine through the love he shared and the joy he brought into the world.

A Celebration of Life will take place on November 22, 2025, from 1pm - 5pm with anyone wishing to make speeches at 2, at the Lion's Club, 89 East Chezzetcook Road. Wear your favourite sports jersey (if you have one) in honour of Sean.

The family would like to thank everyone for their prayers, love, and support during this difficult time.

“ My husband, Jeff and I have known Sean and his wife for years. He was a fabulous Dad, and I must say the coolest and most patient Dad to his children, Dylan, and Sophie. Sean was a wonderful, caring best friend, and husband to his beautiful, sunshine wife, Amanda.

The last time my husband and I saw Sean was at BoyneClarke. We were there in 2014, waiting to sign papers with the real estate lawyer, when Sean saw us and came out to talk. Such a lovely man to take a bit of his time from his busy schedule to see how we were doing. He left a lasting impression of appreciating BoyneClark clients and seeing people he knew to make time.

Amanda, Dylan, Sophie and Family, I'm thinking of all of you; my heart goes out to you for the loss of your amazing husband, remarkable father, son, brother, uncle, and good friend to everyone who knew this wonderful man.

I will keep all of you in my thoughts and prayers..Margaret & Jeff Williams XOXOXOXO

“ I worked with Sean at BoyneClarke. We sat sat beside each other in accounting. When I was off on medical leave or when we had to work from home during covid, he would send me his funny face pictures to cheer my up. It worked. He was my work buddy and my friend. I will feel this loss for a long time to come. Amanda, Dylan and Sophia. My condolences to you and may your heart be forever filled with the love and memories of Sean.

“ *What to say about Sean .. I have so many Fond memories of Sean. We spent many milestones together and I was honored to stand by Amanda as you said I do to each other.. you and Amanda had something so special and so unique you two were perfect for each other. The holidays and just some good old fashion party's were some of my best times with you and the family You always made us laugh with your goofy self and your silly shirts. So fortunate for all the extended family which was huge and so much fun at Xmas. My heart is breaking for all of you he was indeed so special and kind and a great person and uncle to my boy and my beautiful nieces . Your bond with ur sister was something to cherish and you guys were like an unstoppable duo. The wrestling with ur brother and the teasing was diffently out of love we could see that. The love from your mom was undeniable she was soo proud of you especially when Dylan and Sophia came. Your dad and you I swear were the same person and that bond was unbreakable. It was a relationship I know you treasured and made you as father stronger. My trip with you and the Bentleys to Cuba was one I will never forget and you and Amanda helped me during that dark time, I never forgot about that and it's my turn to help your family. I never forgot how much of a brother you were to me and I am so damn thankful I had you in that very special time in my life. Amanda was your gift and your children were your light . Much love to you all as well as Bentleys I treasured my relationship with all of you and I love you all dearly ❤️*
