“ *Mike and I are so very sorry to hear this, pur condolences to his family. I first met Sébastien when he was my Head of Department in NCSM Ville de Québec. I learned a great deal from him, not least of which was how to balance work and a family. He talked proudly of his wife and daughters and was a much respected Naval Officer and engineer. He will be missed. Jenn Spearman*

“ Dear Peggy & Family, we are deeply saddened to hear of your dear Sébastiens' passing. Although we had only been in your company several times, we will treasure those wonderful visits forever. It was so obvious to see the love & happiness you shared together. Both of your names were often mentioned, in a special way, when Jeff & Kathy came home every year, always stopping to stay over at their friends in Hfx, Sébastien & Peggy's. Our thoughts & Prayers are with you now & always. Robert & Joan Wilkie

“ *Dear Peggie and all of Sébastien's family,*

I am so sorry for your loss. Please accept our deepest condolences. We hope you find the strength and courage to go through these difficult moments together.

We will remember Sébastien as an outstanding friend and colleague. Serving with Sébastien, especially the period onboard HMCS Athabaskan, was a blessing. We played in fleet soccer and broomball tournaments together and he was as smiling on the pitch and on the ice as he was in life in general. A true and authentic friend. We will miss him tremendously.

“ *Mes sincères condoléances à la famille et aux proches. Sébastien, tu resteras dans mes souvenirs, un tchum, un ami, un modèle! Je me souviendrai toujours de notre échange en secondaire deux, et toi courant en bobettes dans le gymnase pour faire rire les filles ou encore quand nous recevions nos notes dans nos cours. J'aimais bien me comparer, mais j'étais souvent déçue. On se voit la-haut! Mon Seb!*

I have only just recently heard that Seb had left the plot. He was my first DivO many years ago at CFNES, and I would commission up many years later and take that same role. Our paths would cross a few times in the subsequent years, but we lost touch with my retirement. May your memories always be the fondest. Mine will.
