

Sera-Jane Willis

May 23, 2025

Sera-Jane Willis passed unexpectedly but peacefully on Friday, May 23rd, 2025 at Dartmouth General Hospital with her daughter by her side.

She is survived by her daughter Liz Willis (Frank), twin sister Caroline (John) and older sister Beth (Neil). She was predeceased by her father Rocert C. Willis, and mother Dorothy S. Willis (who passed on the same date 26 years prior).

Sera lived a deliberately quiet life surrounded by the things she loved. She was a collector of indigenous art and had a LOVE of antiques, filling her home with furniture made by her father.

Born in Philadelphia, Sera spent years moving and travelling, before settling in Lower Three Fathom Harbour next to her parents, in a house the family designed and built; this is the place she would call home for the majority of her life. She loved being surrounded by nature and was an avid bird watcher. There was never a shortage of birds, deer, raccoon or foxes crossing her lawn for her to enjoy. This is where she was the happiest.

After retirement, Sera had more time to do more of what she loved, from enjoying the nature that surrounded her home to exploring Australia with Carol. She spent endless hours reading (it is a mystery how she didn't run out

of books) and she never missed a BlueJays or Raptors game.

Anyone who knew her knew she was a soft touch when it came to animals. She never met a stray she didn't love (and adopt). Her most recent furry friend was from Bide Awhile Animal Shelter. With that in mind, the family asks that in lieu of flowers donations be made to this organization.

At Sera's request there will be no ceremony, her wishes were that her ashes be spread at Lower Three Fathom Harbour.
