“ Heard of this sad news today (Sept 7) via the MGBHS FB group, and wanted to send my condolences. Sharon was such a dynamic and large personality during our high school years at Morrison, and Sharon left an indelible impression on everyone she met. While I last spoke to her maybe 50+ years ago in Halifax, where we met at a University dance event, her bubbly and fun personality still remains vivid.

“ I was saddened to hear of Sharon Lynn passing .We became friends at South Street School. We did some crazy thing as "south Street Brats" throughout our younger days.

Although I moved away many years ago, we stayed in touch every Christmas...Sharon Lynn will always be apart of my Happier Memories.

“ Our fathers were connected via their jobs. The last time I saw Sharon Lynn was at her grandfather's store on South Street and she was teasing me about my big 59 Dodge Custom Royal. She wanted to drive it and I wouldn't let her but I really liked her personaity.
