

Stanley Andrew Levy

August 9, 1948 - March 25, 2023

It is with great sadness that the family of Stanley Andrew Levy, announce his passing at home on March 25, 2023, at the age of 74.

Stan was an amazing son, husband, father, granddad, brother, uncle and friend. He could fix and build anything, especially cars & trucks, and grow anything. He was a fisherman at heart and enjoyed sharing his passion for the sea with family and friends.

He will be greatly missed and is survived by his mother, Pauline; wife, Bonnie; children, Celeste, Gina, Greg, April & Amanda; grandchildren, Joel, Virginia, Oliver, Neil, Jensen, Daisy & Daphnie; siblings, Bernie (Wendy), Nancy (Earl), Diane (Paul), Ray (Judy) and Andrew; and many nieces and nephews. He was predeceased by his father, Andrew.

As per Stan's wishes, cremation has already taken place and there will be no visitation or service. A small family gathering will take place at a later date.

We would like to thank Dr. MacNeil and the team at the Nova Scotia Cancer Care Centre, the palliative care team, especially Devon Hennigar and the VON. A very special thank you to Bonnie's cousin, Chris Underhill for everything she did during Stan's final days. Your kindness and support will never be forgotten.

In lieu of flowers, donations can be made in Stan's memory to the Nova Scotia Cancer Care Center or the Brain Tumor Foundation of Canada.

“So lucky we were to move through time having you as our dad,
blood or bond, it didn't matter, you gave all the love you had.

So lucky we were to know the man and have you as a friend,
fun and laughs but always there with a helping hand to lend.

So lucky we were to have your time, so precious now we know,
taking us fishing, cheering us on or watching the pumpkins grow.

So lucky we were to build the memories of you that lie within,
to cherish and to hold them close until we meet again.”

“ Stan had a big heart. I remember calling him a number of years ago and he told me he had started a community garden at Needham park. Also he would fix and repair discarded bicycles and also tools. He was always willing to help those less fortunate. Was a great support to his mom. Sad to hear of his passing. He will be missed.

We had the pleasure of dealing with Stan when we worked at E.H. Price and ASE and Master (ventilation suppliers). Stan was such a kind and gentle man, very much like his Dad, Andrew. I know for sure he will be missed, may he soar with the angels, RIP Stan. May the family have good memories to help them get through this.
