

Stephen Gregory Stewart

October 20, 1983 - October 11, 2025

In Memory of Stephen Gregory Stewart

1983-2025

Our hearts break as we announce the passing of Stephen, a kind and gentle soul, loving Dad to his beautiful daughters, Violet and Amelia.

He was funny (dry), wise and respectful, caring and creative, a little quirky, always interesting...a good person. Music and reading were his passionate interests, his taste eclectic but always poetic and thought provoking, having depth. He loved the outdoors; hiking, fishing, camping, just being in nature. Stephen loved his girls, family, family gatherings large or small where we often enjoyed his culinary skills. He leaves his mark-his gentle ways, on many. Holding his memory close are loving daughters, Violet and Amelia, their mother, Laura Kelly, parents, James and Donna, sisters, Carolyn (Mark) and Amy (Cory), as well as, his large extended family and his friends.

A celebration of Stephen's life will take place at a later date.

“When someone you love becomes a memory,
The memory becomes a treasure.”

“ Donna, Jamie and family. Our hearts go out to you all as we recall fond memories of the quiet little boy with the big smile who was a pleasure to have around. The one that stands out the most is the one where Alison and Stephen got married. What fun they had that day and they were always outdoors creating something. Rest in Peace Stephen.

“ Stephen was the first boyfriend to come through our front door. We realized quickly that he was a good one. We loved his humor and thoughtfulness and his love of music. He was a respectful young man and it makes us smile to learn of his young family with two young daughters. After growing up with two sisters; I'm sure he couldn't have been better prepared. Oh how he groaned about them, lovingly. He was a good dad and a good person, and we hope that the pain that the family feels, eases some day. Rest in Peace Stephen.

“ *My nephew Stephen was a well loved member of our extended family and will be deeply missed by all. Who could ever forget the little boy with the twinkle in his eye who from a very early age had such an affinity for big words ? He loved to entertain his sisters at the dinner table and could quickly reduce them to giggles with his antics. This delightful little guy grew up to be a kind, introspective, gentle soul who was a caring husband and the father of two lovely daughters. Our family gatherings will not be the same without him . My heart goes out to Donna, Jamie, Carolyn and Amy.

“ In a lot of ways when I was growing up, you were like an older brother to me. Not the type to treat me like the annoying younger cousin (that I likely was), you treated me like an equal. So many fond memories. It was always a gift to be in your presence. There was so much that you taught me and showed me about the world. Your guiding presence subtly shaped the person I am today in many ways.

I looked up to you and I loved you. I always will. I'll miss you more than I can find the words to express. It hurts... because your absence will leave a hole in my heart that can never be mended.
