

Susan Ann Jones

February 19, 1954 - March 18, 2022

Susan Ann (Tingley) Jones It is with profound sadness that we announce the passing of our sister Susan Jones on Friday, March 18, 2022 at the age of 68, at the Victoria General Hospital in Halifax. Susan died peacefully, surrounded by family after a long battle with many types of cancer, which she fought very courageously. She was born in Halifax to Donald and Mattie (McKay) Tingley. Susan attended QEH and started her working life at the Halifax Dockyard until she had her children. She later sold real estate in Dartmouth for many years and ended her career at Revenue Canada. Susan loved doing home renovations, was an avid gardener and had a flare for creating beautiful pottery, which she shared with many of us. Her home was always open to family and friends, especially those of her children, who were always welcome there. Susan and her husband Chris especially loved spending time at their cottage in Cape Spear with the family. Susan was a devoted wife, mother and grandmother. She is survived by her sons Jason (Alessandra), Italy, and Nick and her daughter Jennifer Jones, who was a great comfort to her in her final days, constantly by her side. She is also survived by her grandchildren, Alexandra, Noah, Christian and Nicholas, whom she adored. Also surviving are her brothers, Greg, Mark and Matthew and her sisters Patricia, Valerie and Kathleen, along with many nieces and nephews. Susan was recently predeceased on November 30, 2021 by Chris Jones, her husband of 50 years, as well as her brothers Donnie and Kim, and her parents. In keeping with Susan's wishes, there will be a private family celebration of life at a later

date. Special thanks to the Doctors and Nurses on 5B at the VG. In lieu of flowers, donations can be made to the Canadian Cancer Society.

Condolences can be left for the family online at www.harboursidecremation.ca

“ To all of Susan’s family and friends with special consideration of Jennifer, Jason & Alessandra, and Nick, and the grandchildren,

My sincerest condolences; I wish to offer my deep appreciation for Susan’s warmth, humour and kindness, which she always extended to me. I have so many fond memories of simple, shared moments of chatting and laughing with a coffee in hand, and always feeling welcome no matter the time or day. What a gift of a role model she was during my young adulthood; her capacity to love and accept was inspiring and genuine. I am grateful for the time that I was afforded to spend with her, and many of you; so I wish to say thank you for sharing her with me.

Susan left her bold, spunky, loving mark, and will always be fondly remembered. As one wise bear has said: “How lucky you are to have had something that makes saying good-bye so hard”

*Sincerely,
