

Tamara Joy Whittier

October 5, 1971 - January 5, 2026

Tammy, age 54, Lwr Sackville passed peacefully on January 5, 2026 while holding the hand of her wife Tracy at the VG Hspt, Halifax.

Born October 5, 1971 at BFM Hspt Kentville at Supper time to Donald and Judith Whittier, Berwick.

Tammy is survived by her wife Tracy of 26 years and their daughter Kennedy (Birdie) who is their pride and joy and Sophia, Ginger and Izzy.

Tammy is survived by her parents Donald and Judith Whittier, Aylesford. Brother, Bruce Whittier (Jody) Halifax. Sister, Shelley Huntley(Ray) Berwick, Nephew Jesse Taylor, Alberta and Allan and Thelma Benjamin, Toby, David and families, along with many dear and close friends, Uncles and Aunts, Neices and Nephews.

Tammy was a true Thrifter with a keen eye for unique items and treasures, some ended up as gifts while others were sold or as she would say flipped to make more money for thrifting.

Tammy was obsessed with Lego and baseball cards and loved trips to PEI. The most memorable trip was to Toronto in June 2024 to watch the Blue Jays play.

Tammy's biggest smiles came from watching her daughter graduate high school and attend her prom and enter university in 2025 with aspiring goals.

Throughout the years, Tammy worked for Starchoice, VON, Revera and NSLC. She loved her NSLC family, making lifetime friendships, bringing joy and smiles or playing jokes and giving good advice. In 2022 Tammy received the Community Champion Award.

Tammy was predeceased by her Whittier and Greene grandparents, Uncle Alan Whittier, brother-in-law, Tim Benjamin and best friend Jill.

Special thank you to Sandi and Greg, Terri, Deba, Mel and family, Sarah and Glenn the care team at the VG 7th Floor and Zach of Toronto.

And in Tammy's own words

Every little thing is gonna be all right.

Those who need to know, know and those that don't, don't matter.

Cremation has taken place and there will be no visitation or funeral service.

Celebration of life will be announced at a later date.

Tammy's request is to make donations in her memory to Freedom kitchen, Knox's church, Lower Sackville or Berwick fire department.

Tammy helped me out (as a newbie at NSLC -Bedord Place..) . recently she came to the store and I recall exchanging big hugs of encouragement for her fight with her health! I will be forever grateful for her kindness and guidance at work .. she would call me “ Berger” as a term of endearment .. thank you Tammy for your friendship ! Burglind

“ I had the pleasure of meeting Tammy through her wife Tracy. She was such a thoughtful caring person. Some weekends she would stop by work with a java for Tracy and I. Other times while out thrifting she would pick me up little treasures. Definitely helped me add to my Flames memorabilia. My heart goes out to Tracy and Kennedy and family. May you fly high with your new wings. Tricia and Manny
