“ *I miss seeing you sitting in your convertible when I left nans house and talking with you for hours. You would listen to me talk for hours and hours on end. You always said I never talked like I was 16 and that I was so mature for my age the last time I sat with you in your car you were listening to Q104 and it was playing def leopard pour some sugar on me and you were impressed on how I knew this song. I'm gonna miss you like crazy uncle Terry. I love you unconditionally and you will forever be in my heart Love- Shyann 2023* ”

“ I am so thankful I got the chance to spend time with Terry ! He was an amazing man full of wise and heartfelt stories of his love ! I am so happy baby Terrance met his Grampy Terry. He dropped in for visits often. His first visit he said he's so little he was scared to hold him and looked at him from the other couch with so much love, he said it was a long time since he held a tiny baby . My heart is heavy and my prayers are with Tj , Crena, Terrance , Kyle and family at this difficult time . Love you guys
