“Mamma Joy, Stacey and the Montgomery(Perry/Fader) Family. I am truly sorry for the loss of your beloved Tim. Mamma Joy the love that you and Tim shared was infectious. I will always remember Tim staring at you, then out of the blue he would say" Joy I love you, you are so beautiful" you would reply "oh Tim stop it". Really it was delightful, the love you shared doesn't happen often. A relationship like yours was one to be treasured. Mamma Joy, your dedication to Tim with his previous illnesses over the years was unconditional. For that I know you will be blessed.

Stacey my heart breaks for you. I know you have a lot of love for Tim as your step-father. You were also grateful that your Mom finally found someone that loved her and treated her the way she deserved. Tim was special and a gift to all of you.

To Christopher, Tracey and the Auld family. Please accept my deepest condolences.

May you all find some comfort in knowing that Tim is no longer suffering and in pain. I pray that God will bless and keep you all during this difficult time.

Always
