

Vicki Pearl Power MacRae

November 8, 1959 - September 2, 2023

It is with great sadness that we announce Vicki Pearl Power MacRae 63 of Five Islands who passed away after a short battle with cancer at the Victoria General Hospital in Halifax NS.

Born Nov 8th 1959 to Patricia Proctor nee (Whitman) and Bill Power in Truro NS.

The last 30 years Vicki has been a caregiver, the last 17 working with VON where her clients loved her and she loved them back. After Vicki was not able to work and make that 96yr. old lady her egg sandwich, we made one and even though Vick needed help walking herself we took that sweet lady an egg salad sandwich. That is the kind of caregiver she was. She truly cared about her clients and they truly loved her.

Vicki is survived by her Mother Patricia Proctor nee (Whitman) Bible Hill, Stepfather Kenneth Proctor Bible Hill , Partner Joe Gamble Five Islands , Sons William Venator (Chrystal) NB, David Venator (Samantha) AB, Stepdaughter Erin Hayward (Ritchie) NS, Stepson Eric Gamble, Eight Grandchildren as well as Several Nieces and Nephews. Sister Leisa Morel (Eddy) NS, Brothers Tony Power (Carol) NS and Terry Power (Lisa) BC. She was predeceased by her Father Bill Power, Stepmother Debbie Power, Stepsister Tammy Hubley, Brother Gregory Power, Niece Courtney Morash,

and Nephew Josh Power.

“ Dear Leisa and Eddy
We are sorry to hear of Vicki`s passing and for your great loss. We so enjoyed chatting with her when we would come to the cottage for our yearly get away. Like you both, Vicki always greeted us with a smile and was happy to see Ruby.
She will be missed.

“ I first met Vicki at a family reunion at my Grandparents' (Nat and Opal Parker). We were about 10-12 years old at the time. We became friends and as we got older travelled back and forth between Brookfield and Dartmouth to visit. One time when I was visiting, I mentioned that I wanted my ears pierced but Mom wouldn't let me. Vicki got out clothespins to numb my ears and promptly stuck a darning needle through them. It was worth it because the pain from the clothespins was way worse than Mom could do when she found out. When Vicki moved to Dartmouth, we reconnected and spent many nights out on the Fox hunts with the CBers. We had lots of good times and near misses. We lost touch again when kids arrived but were able to connect again later through social media. Vicki was a wonderful lady and will be forever missed. Condolences to all that knew her.

“ Sending heartfelt condolences to the family.. my mom, bills aunt bride lives in Newfoundland, she would always tell the story about how myself, Louise and my sister Judy were at summer camp. Dad and Joan, other sister was gone on a road trip the Ontario. Mom was so happy she had a full week home alone. And next thing she heard a horn blowing and when she looked out the window it was uncle bill, aunt patsy, Vicki, leisa, tony, Terry and Gregory. She thought omg!! Hahaha. But she enhances the lot. So when I heard my cousins were here I wanted to leave summer camp and come home. Mom said all we done was fight! Haha. And that was the last time we all seen each other. That was about 1972. But we kept in touch over Facebook and I'm so glad we did ❤️ so on behalf of your Newfie cousins we send lots of love.. Joan, Judy and Louise butler we will keep out memories of Vicki close to our hearts
