“ We are so sorry to hear of Virginia’s (Jean as we knew her) passing. She was always ready to make me a cup of tea when I dropped in for a visit. Rest In Peace sweet lady.

“ I met Jeannie about 30 years ago through Patricia Boutilier (passed) at a get together in Queensland NS. We danced together at least 4 or 5 times that evening and laughed and laughed. That was the beginning of a 30 plus year friendship. She and Pat with daughter Anna used to get together with my wife Lori Dale for women’s getaway Labour Day weekend at our cottage in Lake Torment, East Dalhousie. Well the stories from those weekends are legends to this day. Jeannie was one of our kindest and dearest friends and never failed to make us laugh. RIP dear sweet lady. Forever missed by all of us ❤️❤️

“ Alan & Nancy

Our condolences on the loss of your mom. Jeannie was a dear friend to all who knew her. I have many precious memories of times spent with her. She shared her stories, smiles and laughs when I visited her for a cup of tea, or when Patricia, Veronica and I got together to play cards over the years. I will miss her dearly. I trust that with the support of your faith and your family and friends, you will make it through this time of grief. When you think of her just remember all the good times and memories you both shared with her.

Alan and Nancy

I still find it hard to believe that our dear sweet friend Jeannie has passed. Our friendship goes back 61 years, as a young bride of 22 and my first time away from home, my husband and I moved to Halifax and Jean was my first friend. I have many great memories of our friendship and a phone call from her just weeks before her passing. Always in our prayers and in our heart.

“ Dear Alan and Nancy: My deepest sympathy in the loss of your mother. Jean was one of the dearest friends I ever had. I met Jean and Dave in the early 70's. We had some great times. I lived in the apartment building next to the Trailer park. Jean and I kept in touch by cards and phone calls. The last time we talked, she told me she wasn't well. My thoughts and prayers are with you at this sad time. I will miss my dear friend everyday. Nancy DeWitt and family

“ Dear Alan and Nancy: My deepest sympathy in the loss of your mom, our dear Jeanie. She was such a kind, gentle, dear soul and I was blessed to call her my friend since the mid 80's. I cherish so many precious memories - especially those playing cards, sharing stories and so much laughter with Patricia, Lynn and your mom. Please know that you are in my thoughts and prayers at this sad time. May your precious memories and the support of family and friends bring you strength, comfort and peace.

“ Dear Alan & Nancy, I wanted to let you know how sorry I am for the loss of our dear Jeanie. She was a gift to this world. Her kindness is something I will never forget. She gave me a home when I needed, she gave me love and encouragement always. She could have lived to 120 and it wouldn't have been long enough. I like to think Nan has been waiting for her to arrive so they could finally get a game of cards. Sending you lots of love.
