My thoughts and prayers are with you Mikey and family . I had the pleasure of working with Walter(Holmes) for the best part of 15 years or so. During this time Walter showed me a great deal of skills I used over the years in the painting trade that I still use and send forward to new apprentices. Walter was a great guy, a laugh always at work and off the job. You will be sadly missed old buddy , Rest Easy, I will have a beer for you Holmes.

I'm sure that I don't have to tell you guys that he was one of the best! Our childhood was unlike any other kids on the block, because of our dads. ❤️ I have no words to make this make sense, or to make it hurt any less. He was one of a kind and will be greatly missed! I know that dad was waiting for him at the big golden gates with a huge smile and his arms wide open, waiting to show him the ropes up there. 😊. I know God definitely has his hands FULL with those two reunited! 😊

Sending you all of my love, hugs & kisses! ❤️❤️❤️❤️
