“ *So sorry to hear of Walters passing. Our thoughts and prayers are with Judy and family at this difficult time. Walter was such a true gentleman, who loved life and Golf. I never heard a bad word said of Walter , and that is indeed a testament of his true standing in this Province, both with colleagues in the Bank, and friends, in the community at large. I knew him for many years from the time I joined RBC in 1968. from the UK. During his career, he was appointed Manager of RBC in Windsor, a position which I too enjoyed. RIP Walter , after a life well lived.*
