

Warren LeRoy Atwood

March 9, 2025

Warren Atwood (1965-2025) was a loving and dedicated individual who cherished his life with Andrea and their beloved fur baby, Olive, above all else. When people talk about living life to the fullest, they must be thinking of Warren. He approached everything he did with maximum effort and enthusiasm, whether it was loving, playing, working, or making music. Warren passed away peacefully at home, with Andrea by his side, after a brief battle with pancreatic cancer on March 9th, 2025. Warren and Andrea were married for almost 29 years. They were best friends and soulmates, and the adventures they shared were vast and inspiring. They loved boating, camping, and traveling, spending many hours building their happy life together.

Warren was predeceased by his parents, Ralph and Donna (Nickerson) Atwood, and parents-in-law, Robert and Gloria (Dexter) Sims. He leaves to mourn his sisters, Cheryl (Gary) Boudreau of Lawrencetown, NS, Angela (Hal) Brewka-Atwood of Metchosin, BC, Elizabeth Atwood of Lawrencetown, NS, and Maritta (Chris) Boutilier of Lake Echo, NS; brother

Wayne (Lisa) Atwood of Coldbrook, NS; and special nephew, Colby (Michelle Corkum) Boudreau of Porter's Lake, NS.

Warren graduated from Devry Technical Institute in Toronto in 1983, becoming the youngest graduate at that time. He often corrected the instructors! Warren wore many hats in his career. He started at Diesel and Auto Electric in Dartmouth, NS, then moved to BCL X-Ray in Dartmouth as a service technician. He continued his career in digital imaging with General Electric as a field service technician. Warren retired in 2023 as the National Service Manager for BCL X-Ray.

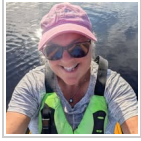

Warren touched many lives and leaves behind many friends who will miss him dearly. He had a deep love for animals, with extra affection for Tig and Olive, who joined Andrea and Warren on their countless adventures.

Special thanks to Lyn, Shannon, and Lynette of the Twin Oaks Palliative Care Team in Musquodoboit Harbour.

In lieu of flowers, donations may be made in Warren's memory to the Canadian Cancer Society or Diabetes Canada.

At Warren's request, there will be no funeral service. A celebration of life will be announced in the coming months

Tribute Wall

“ *A celebration of life will be held for Warren at the North Woodside community Center on Pleasant Street in Dartmouth on Thursday, June 26th from 2:00 to 4:00 p.m. .*

“ *Dear Andrea; We have only just learned the sad news of Warren's passing, He certainly did live a full life, although it was cut much too short. I am sending this message to you on behalf of my late parents, Harold and Joan Hodgson, who were neighbours on Hilltop Terrace. Warren's interest in airplanes often had him at their back door talking to Dad about planes...their mutual passion. Please accept our sympathy at this sad time.*

Nanci Bruce Marshall - May 21, 2025 at 06:47 AM

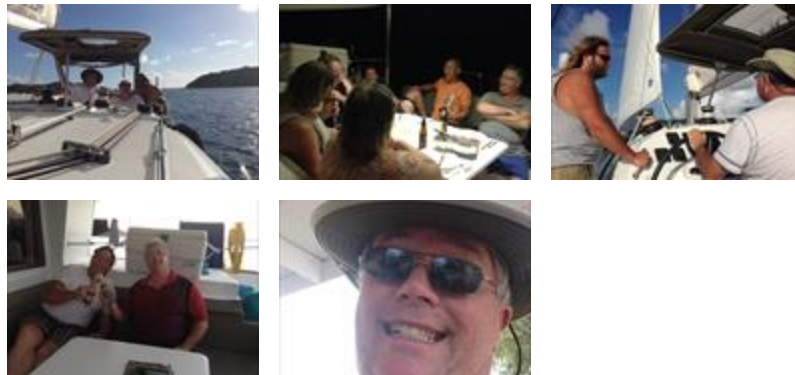

Thank you so much Nancy. Believe it or not I was just trying to find you on social media to let you know about Warren. We will be having a celebration of life for him at the North Woodside community Center on Thursday June 26th from 2:00 to 4:00 p.m. please do not feel obligated to go but I just wanted to let you know. Warren had such fond memories of your Dad. He was almost like a second father to him growing up. And I hold your father fully responsible for all Warren's hobbies and interests. Warren was into everything. And I do mean everything! I hope we can see you on the 26th of June take care and thank you for your kind words

“ Andrea - I have so many fond memories of Warren (and you). My favourite are of the long chats over coffee, about everything and nothing. As long as I'm living, he will never be forgotten. All of my love to you, and my condolences to all of his family and friends. xo
