“ My condolences to Patrick and family of William. We went through school together, and many years later did the 50th Reunion together. He was the best of the best, and I will miss him dearly. Rest in Peace my friend.

“ To William's Family and his family of friends, of whom I know there are many I express my sincerest condolences. He was certainly one of the best dancers to come out of Sydney Mines High, he never left the dance floor.
