Anne, Sandy and I often reminisce about your mother living with us in the Hydrostone. We loved Yvonne and she was very caring and kind to us. One of our best memories is watching her get ready to go to a New Year's Eve party. She was beautiful and looked just like a movie star. We will always hold her in our hearts and we will always remember the fun time we had together when we took her to lunch in the cafe at Northwood. We share in your loss.

Love and hugs to you all. 💕💕💕

“ *So sorry to hear of your Mums passing. We had some fun times with Evelyn, Jo-Ann Theriault, your Mum and myself, day trips, bridge games, bargain hunting, etc. A lady she was always, even when I visited at Northwood, obviously very popular and also happy. My thoughts are with you all at this time.*
